NASHVILLE SECTION  
Lunch Meeting:**

**March 16th, 2010**

**Please join us for a presentation from IES. It is titled, Green Buildings Update. What's the latest in green buildings? LEED 2009, the 2030 Challenge and Net-Zero Energy Buildings. Can we get there without going back to the Little House on the Prairie? Presented by Kim Shinn.**

Kim Shinn is a registered professional mechanical engineer and a Principal and Senior Sustainability Consultant with TLC Engineering for Architecture ([www.tlc-engineers.com](http://www.tlc-engineers.com)).

He is an AABC Consulting Group (ACG) Certified Commissioning Authority. Kim is a co-founder and Chairman Emeritus of the Middle Tennessee Chapter of the US Green Building Council (USGBC), was the first Chair of the USGBC Chapters' South East Region Council, a member of the national Chapter Steering Committee and a member of the national USGBC Board of Directors, serving in that capacity from 2006 through 2009. Kim also served on the Greenbuild (USGBC's national conference) Steering Committee 2007-2009. Kim was one of the jury that selected the American Institute of Architects' Committee on the Environment Top Ten projects of 2009.

**Lunch will start at 11:15 and the seminar will begin shortly thereafter. Price for the presentation and lunch is \$20.00. The meeting will be held at the office of Smith Seckman Reid, Inc. Location maps are available upon request.**
